

How to Read a KAT Bus Schedule

Match the numbered circle on the map to the column of times with the same number to see when the bus serves that location (these locations are called “timepoints”).

T SS These symbols indicate transfer points or Superstops, which are specific stops where you can transfer to a different route. Routes serving a transfer point or Superstop are indicated at the top of the times schedule, just above the name of the stop.

To determine when the bus serves a stop in between timepoints, look at when it is due at the timepoint before your stop and the timepoint after your stop, and you can estimate when it will arrive. Always be at your stop 3-5 minutes early!

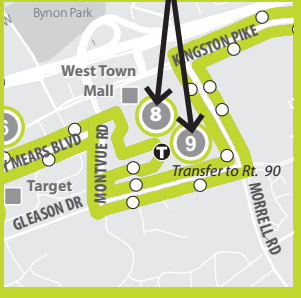

To determine when the bus serves a location, match the numbers on the timetable to the numbers on the map.

How to Ride

Following are a few simple tips to help make your bus-riding experience a success.

Plan Your Trip

Before you head out, make sure you know what route or routes you’ll need, where your bus stops are and what time the bus should be arriving/departing. You can plan the trip yourself using our system map and individual route schedules, or you can call our Transit Agents at 865-637-3000 and they will assist you in planning your trip.

At The Bus Stop

Arrive at the bus stop about 5 minutes before the bus is scheduled to be there. You can check the bus stop sign to be sure you’re at the right stop; all routes serving that stop are listed on the sign. When you see a bus approaching, check the sign at the top front of the bus (the ‘destination sign’) to make sure it is the route you are waiting for. If it is, wave your hand at the operator so they will know you are waiting to board. For your safety, stay back from the curb until the bus comes to a complete stop.

Paying Your Fare

You should have either your pre-purchased pass or the money to pay your fare ready when the bus arrives. As you board, you can either swipe your pass or insert your money into the farebox; exact change is not needed. If you insert more than the amount of the fare, you will be issued a ‘change card’ for the difference, which can be used toward the fare on your next trip.

Transfers

If you need to transfer to another bus, be sure to tell the driver *as you board* that you need a transfer. Transfers are 50 cents (or 25 cents, discounted fare).

Arriving at Your Destination

When the bus is nearing your destination, just pull the cord by the windows and you’ll hear a “ping” that alerts the bus operator that a passenger wants off at the next stop. Exit through the back doors so that boarding passengers can use the front door of the bus.

Bikes on Buses

Bike racks are available on all KAT buses. Bikes ride free.
